Mr. Michael W. Yarbrough
IBEW Local 302
Martinez, CA

To the active members of Local 302

I would like to take this opportunity to extend my sincere thanks to all active members Of Local 302 for their support of the Health and Welfare benefits for retired members. If all goes well I will be receiving my 55 year pin at this year's Old-timers Dinner. 35 of those years I spent working out of the local, and I have been fortunate enough to enjoy over 20 years of retirement. Many of my apprentices during my working time are now ready to retire. Time has a way of moving fast.

Ann and I have enjoyed our retirement, ---traveling, fishing, rving and doing just about what we want to, but not a day passes that we don't feel grateful for the benefits we enjoy knowing that we are covered under the H&W Trust Fund medical plan. All of you have helped to make this possible and we just wanted to say THANKS!

Fraternally,

Al Dumont IBEW
